

Main

Range	SpaceLogic C-Bus
Product or component type	Software
Device application	Building automation systems Contributes to the overall performance of the functional installation
Software type	Configuration software Updateable software
Software designation	Configuration tool
Device composition	Software
Product destination	C-Bus units
Operating system	Windows 10 Windows 11
Type of license	Free license
Market segment	Buildings Commercial Critical buildings Healthcare Small commercial Small buildings School Residential Office Non-critical buildings Industrial buildings Hotel

Complementary

Communication port protocol	C-Bus
Software function	Configuration Commissioning
Function available	Commissioning
Stages of the project configuration	Installation / commissioning Design Operation / maintenance Optimize
Provided tabs	Scenes label Catalogue of devices and solutions Toolbar Parameters
Control and visualisation types	By software
System requirements	.NET Framework 6 or greater Java V1.8.0 (202) Intel dual Core i5 processor, 1.6 GHz or higher 4 GB RAM >= 10 GB HDD storage device Minimum 1024 x 768 pixel display Recommended >= 1920 x 1080 pixel display
User language	English
Format	Free download
Connector type	USB
Cabling termination destination	PC Serial Port PC USB port
Range compatibility	C-Bus configuration software

Packing Units

Unit Type of Package 1

PCE
