

## Product data sheet

### Characteristics

# 66P750-EO

## PLUG TOP IP66 7PIN 500V 50A

### Main

|                  |            |
|------------------|------------|
| Range of product | Series 66P |
| Product brand    | Clipsal    |

### Complementary

|                                     |   |
|-------------------------------------|---|
| [In] rated current                  | 50 A                                    |
| [Ue] rated operational voltage      | 500 V 50/60 Hz conforming to EN 60309-2 |
| Colour                              | Electric orange                         |
| Material                            | Plastic                                 |
| Connections - terminals             | Screw terminal                          |
| Cable entry                         | Cable gland                             |
| Plug, socket, control station shape | Straight                                |
| Duration                            | 7 h                                     |

### Packing Units

|                  |          |
|------------------|----------|
| Package 1 Weight | 1.300 kg |
|------------------|----------|

### Offer Sustainability

|                   |                     |
|-------------------|---------------------|
| EU RoHS Directive | Under investigation |
|-------------------|---------------------|
