

## Product data sheet

### Characteristics

# C2015D4-WE

## Socket Outlet C2000 - Quad switched - Assembled - Horizontal - Double-pole - 250 V - 10 A - White Electric

### Main

|                  |                      |
|------------------|----------------------|
| Colour           | White electric       |
| Product brand    | Clipsal              |
| Range of product | Classic Series C2000 |

### Complementary

|                                |                         |
|--------------------------------|-------------------------|
| Colour code                    | WE                      |
| Control type                   | ON/OFF button           |
| Number of gangs                | 4 gangs                 |
| Pin number                     | 3                       |
| Number of power socket outlets | 4                       |
| Actuator                       | Switch<br>Rocker        |
| Mounting position              | Horizontal              |
| Fixing mode                    | By screws               |
| Local signalling               | Without light indicator |
| Material                       | Plastic                 |
| Surface finish                 | Glossy                  |
| [Ue] rated operational voltage | 250 V AC                |
| [In] rated current             | 10 A                    |
| Depth                          | 23 mm                   |
| Length                         | 116 mm                  |
| Width                          | 75 mm                   |
| Height                         | 196 mm                  |
| Fixing center                  | 84 mm                   |

### Environment

|           |             |
|-----------|-------------|
| Standards | AS/NZS 3112 |
|-----------|-------------|

The information provided in this documentation contains general descriptions and/or technical characteristics of the performance of the products contained herein. This documentation is not intended as a substitute for and is not to be used for determining suitability or reliability of these products for specific user applications. It is the duty of any such user or integrator to perform the appropriate and complete risk analysis, evaluation and testing of the products with respect to the relevant specific application or use thereof. Neither Schneider Electric Industries SAS nor any of its affiliates or subsidiaries shall be responsible or liable for misuse of the information contained herein.

## Offer Sustainability

|                            |   |
|----------------------------|---|
| Sustainable offer status   | Green Premium product                         |
| EU RoHS Directive          | Compliant <a href="#">EU RoHS Declaration</a> |
| Mercury free               | Yes   |
| RoHS exemption information | <a href="#">Yes</a>                           |
| China RoHS Regulation      | <a href="#">China RoHS Declaration</a>        |
