

Product data sheet

Characteristics

MDECLIRLD1545

LD Internal 45 Degree Riser, Clipsal - Cable Management, 150 mm Wide

Main

Product brand	Clipsal
---------------	---------

Complementary

Type of side joist	Flat
Type of rung	Flat
Operating angle	45 °
Width	Cable ladder: 150 mm
Material	Glass reinforced plastic

Environment

Ambient air temperature for operation	-140...120 °C
---------------------------------------	---------------

Packing Units

Unit Type of Package 1	PCE
Number of Units in Package 1	1
Package 1 Weight	1 kg
